

Dipl.-Ing.ⁱⁿ Dr.ⁱⁿ Ulrike Seebacher

Ulrike Seebacher studied Technical Chemistry at the Technical University Graz, Austria. From 2008-2010 she is student of the master program "Master of Science in Organization Development" at the University Klagenfurt, iff Department of organisational development and group dynamic.

She worked as Research Associate at the Technical University Graz and as Desktop Publishing freelancer. Since 1998 she is working for the IFZ – Interuniversity Research Centre for Technology, Work and Culture, and since 2006 she is head of the Department of Ecological Product Policy. She is lecturer at the Klagenfurt University.

An emphasis of her work is sustainable procurement, Corporate Social Sustainability (CSR) and sustainable lifestyles. Her main fields of activities are research projects and consulting activities in the area of sustainable consumption & production.

Currently she is co-ordinating the "klima:aktiv programme energy efficient office equipment" within the climate protection initiative of the Austrian Federal Ministry of Agriculture, Forestry, Environment and Water Management and she is working on projects regarding sustainable lifestyles ("Sustainable trend-setters – LOHAS on the way to a sustainable society"; "Sustainable Behaviour at Work and in Private Life").
